

Key Stage 4 Curriculum Map Health and Social Care

What does your journey look like over the next 2 years?

3 Units of work - 40% exam (RO33) - at the end of the course, 60 % Coursework (RO32, RO35) - 2 units worth 30% each, plus a week attending a work experience placement in your chosen Health or social care setting, completing effective communication assessments.

Topic - is the content which will be covered within lessons.

Assessment - is the focus of how this work will be primarily assessed; either through formal or informal assessments.
